CAREER SUMMARY

Motivated and passionate Frontend Developer with a strong foundation in web development technologies, including HTML, CSS, and JavaScript. As a self-driven learner, I have developed a deep understanding of web design principles, responsive layouts, and user interface development. Although I am a fresher with no professional experience, I am eager to apply my skills to create visually appealing and user-friendly websites. I am enthusiastic about staying updated with the latest frontend trends and continuously improving my coding abilities.
